Safety

ABC Bakers' recognition items have been tested to comply with all current U.S. safety standards. Our suppliers use a variety of testing labs including Bureau Veritas, one of the foremost product testing facilities in the world. All recognitions are in compliance with the Consumer Product Safety Improvement Act (CPSIA) and are approved by Girl Scouts of the USA. Most items are rated for ages 5 and up, unless noted otherwise on the packaging or in this brochure. A flyer is enclosed in each shipment with a phone number to call for safety or compliance concerns. For more information, please visit our website at abcbakers.com.
